

Operation FELIX
Controlling Overpopulation of Free-Roaming Cats

Call 602-506-PETS to sign up for an Operation FELIX orientation today!!!

Interested in learning more about how you can help manage cat overpopulation in your area?

Want to join forces with other individuals who are concerned about free-roaming cats?

Want to find out about resources to help you trap, neuter, and return feral cats?

Learn more about Operation FELIX, Maricopa County Animal Care & Control's community-based program that supports management of free-roaming cats.
